

Town of Jacksonport

Holiday Decorations

Location: Jacksonport Town Hall

Date: November 10, 2022

Time: 6:00 PM

The Town Chairman has approved an open meeting, with members of the Town's Parks and Plan Commission present, to address opportunities for holiday decorations in Lakeside Park and/or the Town in general.

All organizations and individuals are encouraged to bring ideas for time enduring, aesthetically pleasing, uniquely differentiating, cost effective, easy-to-assemble/disassemble and store, decorations.

Visual representations and associated cost detail regarding any decoration idea will assist those in attendance in making quick decisions reference this year's season. The video monitor will be available, so feel free to bring a laptop to show options. Physical examples of decoration ideas are also welcome.

There has been growing private party/organization interest for this endeavor. However, no Town funds have been ear marked for this effort. Therefore, funding for the purchase, labor for assembling/dismantling, and the ultimate storage of any decorations would need to be accomplished through donated funds and labor.

Moderator: Parks Committee Chair, Les Kiehnau
